May 7, 2021 – Circleville, Ohio

75 Lots Averaged \$4,061

This year's Midwest Sale saw a change of venue to The Pickaway Co. Fairgrounds in Circleville, Ohio. The attractive fairgrounds and cooperative fair personnel satisfied all attending, including consignors, buyers and onlookers.

At the end of the day, 75 lots averaged \$4,061 and sold to 14 different states and Columbia, South America.

The quality line-up included a solid variety selected from consignor's herds. The high sellers represented the best from show-level prospects, genomic stars as well as deep-pedigreed foundation families.

Top for the day at \$14,500 was Lot 1, Edge View D Delaney ET, an attractive Daredevil from the 2x WDE Supreme Champion Delilah consigned by Ken Main and Kenny Joe Manion. Matt Iager, Boonsboro, Maryland, is the proud new owner of Delaney.

The homozygous polled heifer from Rodecap & Mashek, Calmar, Iowa, was an early sale feature. Selling for \$13,600, Trout Run Hilltop Java ETV NP was purchased by Pine Tree Dairy, Rittman, Ohio. She attracted wide attention with contenders on the internet through Cowbuyer.

Next in line on the high-seller list, Blessing Garbro Diego Paula ET brought \$11,200 for her consignors, Blessing Farms and Garbro Swiss of Indiana and Ohio. Caylee James of LaGrange, Indiana, is the new owner of this extra fancy fall calf.

This year's sale was again managed by Modern Associates, St. Paris, Ohio. Darrell Worden and Tim Eiting were the auctioneers assisted by Brian Garrison, Lee Barber and Joe Sparrow taking bids from ringside along with Wayne Sliker as the box-man.
